

# The Dreamer

CABINET

'EGLI DESIGN' NEW COLLECTION PIECE

Wooden sculptural cabinet 'The Dreamer' is a work of enormous charisma possessing the qualities and charm of poetry. Symbolic thought is encoded using a realistic sculpture technique accompanied by surreal imagination. The dreamy face of a woman with her eyes closed, head of gentle features and relaxed surreal body - symbols of total peace. A silky smooth finish surface increases the pleasure for a sense of warm touch and gives a complete soothing feeling.
